Safeguarding our Children

Please DO NOT let anyone into the building when exiting the front door. Our staff will ALWAYS question a person at the door if they do not recognise them. If arrangements need to be made for someone else to pick up please telephone us and inform us first so we can set up a password.

Handovers

Please feel free to come into your child's room for a handover from the staff about your child's day. This will help with the flow of traffic during our busy periods in the corridor and hallway.

Tapestry Feedback

Thank you to everyone who attended our last parents evening we have had some lovely feedback. Please keep adding your own observations onto tapestry for us to plan around your child's interests.

Staying Safe in the Sun

- Please provide a named sun hat for your child EVERY day.
- We provide sun cream at PiXieS which we will apply before going outside if we have permission to do so. Please bring in a bottle of named sun cream if you wish to bring in your own.
- Every child should have a named water bottle at PiXieS at ALL times.

If your child does NOT have a water bottle we will provide one - a costing of £1.50 will be applied to your invoice.

Medication information

Due to statutory requirements the nursery can not administer any prescribed medication without the pharmaceutical label attached to the bottle, tube or inhaler. Please ensure all medication prescribed by a Doctor for your child has the label attached, a copy will also be taken for our records. **WE WILL NOT ADMINISTER ANY UNLABELLED MEDICATIONS.**

Pushchair Cupboard

Unfortunately we are experiencing problems with the pushchair cupboard. We are very restricted for space so please can you ensure that when you are storing your pushchair/car seat, it is collapsed and stored effectively so that other parents will be able to use it. If there is no room in the cupboard we are going to have to ask that you take your pushchair / car seat with you. We cannot have pushchair's, bikes, or scooters loose in the porch due to this being a fire exit.

Dates For Your Diary

- 13th June - Fathers day stay & play, 9.30am - 11.00am
- 26th July - Bobbie's fun filled charity event (times TBC)
- 3rd August - Preschool's graduation performance, 11.00am - 1.30pm
- 28th August - School leavers stay & play 9.30am - 11.00am

Preschool Parents

For the safety of your little ones, please can we ask that all Pre - School parents who need to access the garden for drop of or collection, go up and through Pre - School and do not cut through the 2-3's room. We are finding that the 2-3's are becoming unsettled during the 1pm handover periods with parents walking in and out of their room. We are also finding that gates and doors are being left open too.

Front Door

The front door can be very busy at certain periods of the day we always try to ensure that a member of the Management Team are present. Unfortunately at some points of the day this isn't always possible, so can we please reinforce that when leaving the building if there is a parent waiting in the porch, please can you inform a member of staff and DO NOT let them in. We appreciate this can be frustrating but we need to keep your little ones safe. If you would like to discuss this further please pop into the office.
