

Nursery News

Staff Training

Our staff have been very busy and widening their knowledge with lots of online training. Each staff member has their own online account and has the opportunity to learn across hundreds of different courses. The most popular courses that have been completed this term have been:

Lost Property

Please refrain from bringing in toys from home. These can easily get lost and mixed up with PiXieS toys. We are finding more and more are making their way into both nurseries. If you need to bring in any item from home please ensure they are clearly LABELLED. PiXieS will not be held responsible for any lost or damage items.

Water Bottles

Please ensure your child has a clean water bottle every session they attend with fresh WATER in. If your child does NOT have a water bottle we will provide one - at a costing of £1.50 (this will be applied to your invoice.) Water bottles MUST go home daily to be cleaned.

Please Save:

We are looking for lots of the following if you have any please bring them in:

- Corks
- Cotton Reels
- Acorns
- Pine Cones
- Pebbles
- Shells

Parent Questionnaire

Questionnaire's have gone home in bags this week. Please complete ASAP and bring back so we can analyse the data from them.

Staff Shout Outs

A Happy PiXieS special Birthday to:

Jody - 18 Years Service
Jackie - 5 Years Service

Parent Forum

Would you like to join our parent forum and find out what goes on in the setting and put forward ideas? Please speak to member of management if you would like to join.

Woolston

Dates for the Diary

- September - please bring in dried foods and tins for our Harvest festival.
- 27th October - Diwali, please bring in a glass jar for your child to decorate.
- 31st October - Halloween stay and play, dress up fun.

School Leavers

We said farewell to our school leavers in style at our graduation performance. It was safe to say there wasn't a dry eye in the house and the children were very proud of themselves.

Maintenance

Our baby unit and 2-3 room have now been fully redecorated and im sure you will all agree how fresh it looks.

PiXieS Outings

We have been very busy bees this term with lots of outings. Some of our preschool children went for a play at our Locks Heath PiXieS and loved going on the PiXieS bus. We have been on trips to the local library and took part in baby boogie and rhyme time which was great fun. We have also been to Weston Shore to collect shells and stones for our nature area up in preschool.

Staff

We have welcomed Charlotte back from maternity leave this term, and Lisa has joined the preschool team upstairs.
