

Nursery News

Following Guidelines

We are asking ALL parents / carers to continue following government guidelines at all times whilst their child is away from the setting. This is to help keep everyone safe.

Guidelines do change often so please keep an eye on the news and adjust accordingly.

Drop off & Collecting

Please drop off and collect your child from their designated points. It is taking us slightly longer to answer entry points due to Covid-19 restrictions. Your patience is appreciated.

Face coverings **MUST*** be worn when dropping off and collecting your child *unless medically exempt. Please use the hand sanitisers to sanitise yours and your child's hands.

Thank you to you all

We would like to thank you all for your support and understanding, in what we can only call as the "new normal." Your patience, kind words, and understanding has helped lift our spirits as we carry on day to day providing a stimulating environment, love and care to all of our children in the setting.

Our staff and children have been complete superstars, adjusting to the changes and we are incredibly proud of them all.

We can honestly say the words "bubbles" and "covid-19" wont be missed when we "hopefully can return to some *normality*."

Tapestry & Parents Consultations

We will shortly be sending out a tapestry questionnaire which we would be very grateful if you could complete and send back to us. This gives us a guide as to how parents use tapestry and if there are any areas used more than most.

We have started holding parent consultation meetings over the telephone and have more scheduled in over the next few weeks. These seem to be working well and these will be continued until it is safe to go back to face to face meetings in the setting.

Staff Shout Outs
